HILTON OFFERS GLOBAL PROGRAM FOR CHINESE TRAVELERS

With outbound tourism from China growing exponentially, Hilton offers Hilton Huanying, a tailored experience for Chinese travelers. Hilton Huanying takes its name from the Chinese word for “welcome,” and extends authentic experiences with amenities, service standards and dedicated Hilton team member training. The program debuted in August 2011 with 30 participating properties in 13 countries. Currently, there are more than 130 participating properties in 32 countries and 80 cities popular among Chinese travelers, including Tokyo, Seoul, London, Paris, New York and San Francisco.

Hilton conducted comprehensive research to determine preferences and needs of contemporary travelers of Chinese origin throughout the world. The program is backed by Hilton’s extensive field research and more than two decades of hospitality leadership in China. Chinese travelers will find familiar comforts in three key touch points of the on-property experience: arrival, guest room and breakfast at Hilton. Initially launched by Hilton Hotels & Resorts, this program is now delivered by select Waldorf Astoria Hotels & Resorts, Conrad Hotels & Resorts and DoubleTree by Hilton properties worldwide.
